

CATHOLIC THEOLOGY, POST-BACCALAUREATE CERTIFICATE

The Department of Theological Studies at Saint Louis University offers core graduate coursework designed to support the Bishops' Curriculum Framework for high school religion teachers through the post-baccalaureate certificate in Catholic theology.

The framework taught at SLU identifies six required (God/Trinity, Christ, Salvation, Ecclesiology, Sacraments and Christian Ethics) and five elective doctrinal loci (Bible, Church History, Catholic Social Teaching, Christian Vocations and Ecumenical/Interreligious Dialogue).

Catholic educators interested in becoming certified as high school religion teachers, adult religious education coordinators or directors of religious education can take the required theology and/or education credit hours to meet the certification standards set by their home diocese.

Curriculum Overview

Students can enroll either full time or part time; required courses for the certificate program are offered on a two-year rotation with many courses scheduled late afternoons, evenings and during the summer to better accommodate the schedules of Catholic educators. The 18-credit post-baccalaureate certificate in Catholic theology can count toward the completion of the 36-credit Master of Arts in Religious Education.

Because the certificate program is designed to meet the needs of a national audience, it provides a core of required courses while also allowing for additional electives to meet the particular needs of a local diocesan school system. For example, above and beyond the 18 CR certificate program requirements, students seeking certification in the Archdiocese of St. Louis are required to take two additional courses: THEO 5810 Ignatian Spirituality & Pedagogy (3 cr) and EDI 5360 Principles and Methods of Catechesis (3 cr)

Admission Requirements

An undergraduate major in theology or religious studies is recommended but not required. Applicants with a strong background (at least 18 credits of upper-level coursework) in philosophy, history, or other humanities disciplines will also be considered.
