

MILITARY SCIENCE (MILS)

MILS 1010 - Introduction to Leadership I

2 Credits

Examine the challenges and competencies that are critical for effective leadership. You will learn how the personal development of life skills such as cultural understanding, goal setting, time management, mental/physical resiliency, and stress management relate to leadership, officership, and the Army profession. MILS-1010 is open to all students and enrollment does not require a commitment to join the US Army.

MILS 1020 - Introduction to Leadership II

2 Credits

Investigate leadership fundamentals such as problem-solving, listening, presenting briefs, providing feedback, and using effective writing skills. You will explore dimensions of leadership attributes and core leader competencies in the context of practical, hands-on, and interactive exercises. Learn fundamental military concepts and explore the Army's leadership philosophy. MILS-1020 is open to all students and enrollment does not require a commitment to join the US Army.

MILS 2010 - Innovative Team Leadership

3 Credits

Explore the dimensions of creative and innovative tactical leadership strategies and styles by examining team dynamics and leadership theories. The course continues to build on developing knowledge of leadership attributes and core leader competencies through the understanding of Army rank, structure, and duties as well as broadening knowledge of land navigation and squad tactics. Enrollment in MILS-2010 does not require a commitment to join the US Army.

MILS 2020 - Foundations of Tactical Leadership

3 Credits

Develop greater self-awareness as you assess your own leadership styles and practice communication and team building skills. Examine and practice the challenges of leading teams in the complex operational environment. Study dimensions of terrain analysis, patrolling, and operation orders. Explores the dynamics of adaptive leadership in the context of military operations. Enrollment in MILS-2020 does not require a commitment to join the US Army.

MILS 2930 - Special Topics

3 Credits (Repeatable for credit)

MILS 2980 - Independent Study in Military Science

1 or 3 Credits (Repeatable for credit)

MILS 3010 - Adaptive Team Leadership

3 Credits

This is an academically challenging course where you will study, practice, and apply the fundamentals of Army leadership, officership, Army values and ethics, and small unit tactics. At the conclusion of this course you will be capable of planning, coordinating, navigating, motivating and leading a team or squad in the execution of a tactical mission during a classroom practical exercise (PE), a leadership lab, or during a military situational training exercise (STX) in a field environment. Prerequisite for this course is the successful completion of MILS 1010 through 2020, prior military service, or attendance at the Army ROTC Basic Camp. Contact the Military Science Department for more details.

MILS 3020 - Applied Team Leadership

3 Credits

Continue to learn and apply the fundamentals of Army leadership, officership, Army values and ethics as you hone your leadership abilities in a variety of tactical environments and the classroom. Successful completion of this course will help prepare you for success at the ROTC Advanced Camp at Fort Knox, Kentucky which you will attend the summer following this course. You will receive systematic and specific feedback on your leadership attributes, values and core leader competencies from your instructors, other ROTC cadre, and senior cadets.

MILS 3930 - Special Topics

3 Credits (Repeatable for credit)

MILS 3980 - Independent Study in Military Science

1 or 3 Credits (Repeatable for credit)

MILS 4010 - Adaptive Leadership

3 Credits

This course focuses on practical application of adaptive leadership. Throughout the semester, students will apply the fundamentals of principles of training, the Army writing style and military decision making. Students will study the special trust reposed to Army Officers by the US Constitution and the President of the United States—a special trust given to no other civilian professions. Students will also study the Army officer's role in the Uniform Code of Military Justice, and the counseling and development of subordinates. Prerequisite for this course is the successful completion of the ROTC Advanced Camp at Fort Knox, Kentucky or permission of the instructor.

MILS 4020 - Leadership in a Complex World

3 Credits

Explore the dynamics of leading in the complex situation of current military operations in the contemporary operating environment. Examine differences in customs and courtesies, military law, principles of war, and rules of engagement in the face of international terrorism. You will also explore aspects of interacting with non-government organizations, civilians on the battlefield and host nation support. Significant emphasis is placed on your transition to officership, preparing you for your branch school and first unit of assignment.

MILS 4500 - Modern American Military History

3 Credits

A survey of US military involvement beginning with the Treaty of Versailles following World War I and concluding with the current Global War on Terror. Students will follow a chronological study of crucial battles of World War II, Korea, Vietnam and conclude with in-depth case studies from Iraq and Afghanistan. The class focuses on both tactical and strategic lessons learned and the political and cultural influences that effect the way wars are fought. Prerequisite for this course is sophomore status and good standing in the ROTC program.

MILS 4930 - Special Topics

3 Credits (Repeatable for credit)

MILS 4980 - Advanced Independent Study in Military Science

1 or 3 Credits (Repeatable for credit)
